

Mile High Bitcoin Initiative — Social Post Templates

Purpose

These templates are designed for meetup leaders and volunteers to use after a merchant has been successfully onboarded.

They assume a real Bitcoin purchase was made, the merchant has been verified on BTCmap, and a photo was taken with the merchant holding a “Now Accepting Bitcoin” sign.

Template 1 — Universal default

Another Denver-area business is now accepting Bitcoin. ⚡ ₿

Shoutout to [Business Name] in [Neighborhood/City] for joining the circular economy.

- ✓ First Bitcoin purchase completed
- ✓ Verified on BTCmap
- ✓ Ready for Bitcoiners to support

If you're nearby, go check them out: [Website or address if desired]

Let's keep building the Mile High Bitcoin Initiative — one merchant, one transaction, one relationship at a time.

Best use note

Use the attached merchant photo with the post whenever possible. That helps turn the post into social proof, not just an announcement.
